

# *White Mechanical Can Help Keep Your Family Safe During These Difficult Times*

**Give our experts a call today for  
a no obligation consultation**

**nano Induct™** is our whole house central air purifier. Attached to your furnace, it provides a blanket of air ionization throughout your home or office. Take a deep breath knowing the air your family inhales and exhales is fresh and clean.

If you're in the market for a central air purifier for your home or office, the nano Induct™ is the perfect choice. Using Air Oasis' AHPCO® ionization technology, this filterless HVAC air purifier effectively destroys pollutants such as mold, viruses, bacteria, and VOCs.

**Installed Price \$956.00**

**Contract Customers \$832.00**

## **Air Scrubber by Aerus with Certified Space Technology™**

ActivePure® Technology that attaches directly to the HVAC system ductwork to remove air pollution, VOCs, surface contaminants, pet dander, odors and dust, resulting in a cleaner, healthier and more efficient home. The perfect solution for homeowners and businesses who want to reduce and eliminate harmful contaminants.

**Installed Price \$1,147.00**

**Contract Customers \$998.00**
